TO WHOM IT MAY CONCERN:

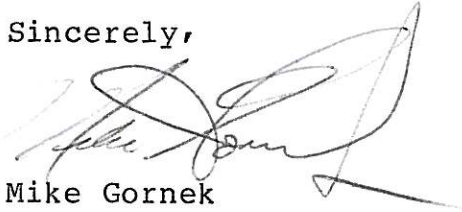

We have been using Houston Landscapes Unlimited for approximately three (3) years and have been very much satisfied with their services. We are obligated to use several landscaping companies for our properties, but reserve those in need of a high degree of finish for Houston Landscapes Unlimited.

One of the more important aspects of Client - Contractor relations is the degree of communication between both parties. We have found their attention to this detail to be excellent.

Finally, the response time to handle emergencies has also been excellent.

We would not hesitate to recommend the services of Houston Landscapes Unlimited to anyone.

Sincerely,

Mike Gornek  
Property Manager
