To Whom It May Concern:

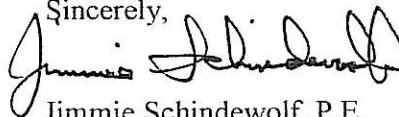

I have represented the Harris County Sports & Convention Corporation as the Owner's Representative for the Reliant Stadium project as well as for a number of parking lot projects adjacent to the Stadium. Part of my responsibility has been to work very closely with Dean Carpenter and Houston Landscapes Unlimited.

There has been a tremendous focus on beautification / landscaping for Reliant Stadium and the parking areas. Houston Landscapes has been a very important part of the team that has accomplished this work.

Dean Carpenter and his very capable staff has demonstrated an extra-ordinary commitment to getting the job done under very difficult circumstances. Their work product has been excellent.

It was very refreshing to me to show up on the project any time of the day or night or on weekends and find Dean and his employees working hard to finish the job on time. I have seldom seen this type of dedication.

Houston Landscapes Unlimited has exceeded all of our expectations and has been an integral part of the successful completion of Reliant Stadium.

Sincerely,

Jimmie Schindewolf, P.E.
