Dear Dean,

I am happy to report to you and your team that the Enclave Parkway project and Memorial Hermann Wellness Center were selected as Honor Award winners for the Texas Chapter, American Society of Landscape Architects. The projects were selected as top projects in the state of Texas in the Design-Constructed Category.

Thank you again for your continued support and understanding of how important the execution of the landscape design is for our projects. Chip, Kyle and I also want to thank you and your team for making the construction process an enjoyable one.

Kind regards,
